

High School Remix Mission Experience, Toronto, ON Wednesday, June 27-Sunday, July 1, 2018

Our high school students and leaders have an opportunity to start their summers off with a mission experience right in our own back yard! We will be headed to downtown Toronto as part of a mission event that takes place annually called "Remix Toronto." Remix is a 5-day interactive and hands-on urban mission experience designed to equip, train and inspire young leaders to 'center their lives within the mission and message of Jesus'. Each Remix participant will receive in-depth training each day, be engaged in afternoon mission opportunities throughout Toronto and be a part of large group celebration gatherings each evening.

We want to make sure that this trip is more than just a 1-week experience so the students who go to Remix will be asked to fill out an application (see below), be screened as deemed necessary by Pastor Andrew (e.g. informal interview with student and/or parents) and be asked to attend pre-trip training meetings (dates will be available soon). Should the need arise to choose *which* students join us for the trip, Andrew will make the final decision based on responses to the application questions, discussion with parents, as well as the student's involvement within the Grandview church family.

Please understand that details of the trip continue to be sorted out. As they are available, we will make sure parents and students are aware. Here are some initial details to consider before applying for this mission trip:

Where we're going: Seneca College and the surrounding downtown Toronto area.

When we're going: The evening of Wednesday, June 27 until the evening of Sunday, July 1, 2018.

How we'll get there: Rental vans driven by adult leaders.

Where we'll stay: Seneca College Newnham Campus (1750 Finch Ave E, Toronto, ON, M2J 2X5).

What we're doing: In-depth morning training, hands-on mission experiences in the afternoon and large group celebration gatherings in the evening.

Cost of the trip: Each student will be responsible for raising approximately \$500 to cover travel and registration. This includes all transportation, event participation, accommodations and meals. Please keep in mind that this is an estimate. We intend to keep the cost per student as close to this number as possible. In addition, each student is encouraged to bring extra money for things such as meals during travel as well as extra purchases while in Toronto. The team will strategize fundraising opportunities in the spring.

Mandatory Training dates: We will meet in the months of May and June during Grandview's 1st service and after youth nights to prepare for the trip. Final dates will be available soon.

Other requirements: Parents and students will be asked to sign a Consent and Medical Release Form for Grandview. Students will also be asked to fill out the attached applications (1 for Grandview and 1 for the Remix staff) and sign a Team Covenant at our first training.

More Information: Andrew will be available to talk about Remix in-person during the 1st and last half hours of HSSM on March 22, 2018. Parents can stop in, ask questions and get more information. You can also visit www.torontoremix.com.

Deadline to Apply: Sunday, April 8, 2018
