### **Study #1: Precept Upon Precept Bible Study: Joshua – Conquering your Enemies (7 weeks)**

God said, "Be strong and courageous! Do not tremble or be dismayed." Increase your faith in God who has put you in His grip and will never let you go! This study will charge you up and encourage you to press on!

This is a Precept Upon Precept Inductive Bible Study. Inductive means that the Bible is the primary source of material. Through the homework lessons, you will learn a method that you'll be able to use to study the bible for yourself for the rest of your life. Reading the Bible will never be the same again. It's worth the effort.

Please bring at least seven coloured pens/pencils, some notepaper, a binder for your workbook, and your Bible to every class.

The workbooks will be available at the Welcome Centre and directly from Fay Barnett beginning in March.

**You will need to complete the homework for week one before you come on Wednesday April 4.**

Facilitated by: Fay Barnett

**Workbook: \$17**

### **Study #2: One in a Million with Priscilla Shirer (7 weeks)**

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it!

Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. You will be challenged to experience deliverance from strongholds, to conquer your wilderness living, and to claim your God-given inheritance. This study will encourage you to fully engage in the abundant life God has waiting for those who will allow Him to take the lead in daily living.

The workbook includes video viewer guides along with 6 weeks of 5 days of at home study.
